Why do you want to participate in KOTV Kids?

Please consider the following expectations before giving agreement for your family's participation.

1. Serving on KOTV Kids is a privilege and an honor.
2. Since email will be the primary method of communication for the team, I agree to check my email regularly for any updates that might be sent.
3. I will attend practices once a month on Saturday mornings from 10am to 11:30am. These practice times are required in order to participate on the KOTV Kids team. (Please note: If your family is not available for this practice time, we will work with you as we can.)
4. As a participant, I will do my best to learn the songs in advance of when I am scheduled so I may serve others.
5. As a participant, I will be placed on a schedule based on my attendance of practices and my availability. Each participant will be scheduled 1-2 times per month based on these factors. I will provide notification in advance of weekends when I will be unable to participate.
6. I will arrive 20 minutes early for the service I am scheduled.
7. I will wear the KOTV Kids T-shirt when I am scheduled to volunteer.

After reading these requirements, I would like to participate on KOTV Kids!
